

## ORCHESTRA UNIFORMS – GENTLEMEN

Dear Orchestra Parents and Students:

All of the students in the Coronado Orchestra program wear concert uniforms for our performances. The gentlemen wear the tuxedo pictured below. In order for us to place an order, we need a parent signature on this form and a check (made payable to "CORONADO ORCHESTRA") in the amount of \$105.00. ***Please use the Tuxedo measuring instructions to determine what size your student needs and return this form no later than Friday, September 17<sup>th</sup>, 2021.***

If you need a few more days to get the money in, please let Mr. Jacobson know (PAUL.JACOBSON@d11.org), and we will place your order, but we will not order a tuxedo without parent approval signified by signing below.

Parent Approval—Please order a tux for my

son, \_\_\_\_\_.  
(printed student name)

**MEASUREMENTS (in inches) – see measurement instructions included with this order form:**

Height (in inches) \_\_\_\_\_  
Chest \_\_\_\_\_

Parent Signature

\_\_\_\_\_  
Date

**Please return this form no later than Friday, September 17<sup>th</sup>, 2021.**

# How to Measure

Please take measurements over close fitting garments and follow the instructions carefully. The more information you provide the better we can determine your size.

Size charts available online at [www.tuxedowholesaler.com](http://www.tuxedowholesaler.com)

## Men: Required measurements by garment

**Coats:** Chest, Waist, Sleeve, Overarm

**Shirts:** Neck, Sleeve

**Vests:** Chest, Waist

**Trousers:** Waist, Outseam

**A. Chest:** Measure around the fullest part of the chest keeping the tape parallel to the floor.

**B. Overarm:** Snugly but not tight, wrap the measuring tape around the body at chest level including the arms.

**C. Waist:** Wrap measuring tape around the natural waist keeping the tape snug.

**D. Outseam:** With the trousers at navel height, measure from the top of the waistband down the outside of the leg to the floor, (barefoot).

**E. Sleeve:** Measure from center back neck to shoulder to the bottom of the wrist bone.

**F. Neck:** Gently wrap the measuring tape around the neck leaving room for 1 finger between neck & tape.
